Deadline for manuscript  
submissions:

**30 June 2021**

### Message from the Guest Editors

We would like to invite colleagues to submit articles about their recent research on any of the following topics but not restricted to:

- landscape analysis
- sustainable land use planning and landscape management
- landscape services
- landscape character assessment and landscape units
- landscape visibility and visual impact assessment
- quantitative approaches to landscape design
- nature-based solutions
- edible landscape and urban agriculture
- effectiveness of revitalization strategies
- environmental, ecological and social impacts of land use planning
- urban and rural landscapes' effects on individual and community health
- co-design and participatory mapping in landscape research
- applications of citizen science in landscape research and success stories with GeoWeb
- geoprocessing tools and algorithms for landscape analysis
- use of remote sensing data in landscape analysis
- the theory of landscape sustainability

an Open Access Journal by MDPI

## Editor-in-Chief

### Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario Institute of Technology, Oshawa, ON L1G 0C5, Canada

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer-reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

## Author Benefits

**Open Access:**—free for readers, with [article processing charges \(APC\)](#) paid by authors or their institutions.

**High visibility:** indexed by the [Science Citation Index Expanded](#) and [Social Sciences Citation Index](#) (Web of Science), as well as [Scopus](#) and [other databases](#).

**Rapid Publication:** manuscripts are peer-reviewed and a first decision provided to authors approximately 14.7 days after submission; acceptance to publication is undertaken in 2.9 days (median values for papers published in this journal in the second half of 2020).
